Dear parents,

„Kultur verbindet e.V.“ would like to invite your child to the following activity:

Time: Sunday, September 25th 2022 (11 -13:00)

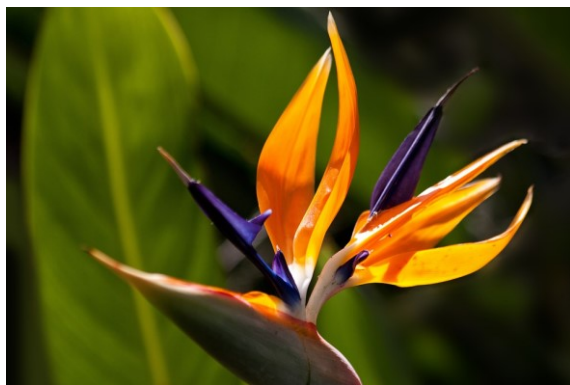

Place: Meeting point: Botanischer Garten, NEES-Café, Meckenheimer Allee 169 (within walking distance from Hauptbahnhof or Bus line 601, 602 or 603 from Hauptbahnhof Bonn in direction of Poppelsdorf, Botanischer Garten)

About: In the botanical garden we discover local nature and plants from distant countries. With a magnifying glass we see all the wonders hidden inside flowers and plant parts. And in the Grüne Lernwerkstatt we can try out stereo magnifiers – a kind of microscope – and discover very small things otherwise invisible to the human eye.

For children aged 6 – 12.

It's worth taking a closer look: Carnivorous plant

...and bird-of-paradise flower (source (both pictures): pixabay)
