Infobrief 06 / 2022

Dear friends of Kultur verbindet e.V.,

This summer, the school holidays in NRW start very early. The last day of school is on Friday, 24/06/2022. Dear reading mentors, please inquire at the school whether the children still have regular lessons during the last week of school and if the meet-ups can take place as usual. To all those who are mentors of children who are in fourth grade: This year, the farewell of the fourth graders will take place again as usual with parents and relatives. You, as their reading mentors, who accompanied and supported the child at school are invited as well of course! If you would like to attend the farewell party, please ask the teacher for the date. For the children this is an important day, which is often associated with many emotions. All those who have accompanied their child at school for many months or even several years can take the opportunity to look back at this time again.

School will start again on Wednesday, August 10, 2022. All reading mentors will receive information in time when the reading hours will start again in the new school year.

Information about the association's work

On 12/06/ 2022 we took part in the Internationales Begegnungsfest in Bonn with an information stand. After a break of two years, due to Corona, the Begegnungsfest took place this year in a much smaller format and unfortunately without the popular food stalls of the many clubs and organizations. The rush of visitors was therefore significantly smaller than in previous years.

Kultur verbindet e.V. "exchanged" books that we had received from a member for donations. As a result, we have received a little over 300 € as donations, which we can use well for our project "My first library".

Many thanks to our reading mentors who supported us at the booth!

We have already pointed out the holiday offer "Time Travel", which the Stadtmuseum Bonn offers in cooperation with Kultur verbindet e.V. (25th of July to 5th of August). We are still looking for two volunteers who would like to help by the hour. These volunteers will accompany the children's excursions and give a hand when the children are doing handicrafts and creative work. An expense allowance of 5€ per hour will be paid and a free 9€ ticket will be provided.

If you are interested, please contact Frauke Rheingans either by e-mail to frauke.rheingans@kulturverbindet-bonn.de. or call her at 0160 996 733

Public relations

After the summer holidays, we would like to continue our project "My first library" at all schools. We will need new reading mentors for the children who are to be newly admitted to the project.

It helps us a lot when already active mentors talk about the project to their circle of friends and to acquaintances. This way, we have already been able to win some new volunteers. Hence the request: Talk about your work and motivate others to become a reading mentor!
