### "What will my future be like"

Your future? How will you live in 30 or 50 years? On the moon or on Mars? Or in cities deep under the sea? Is it so hot on earth that people live in huge underground facilities? Or on floating rafts on the ocean? Or do we live in flying UFOs hovering over the earth? But maybe you will live in a forest, in a tree house or in a small cave, without electricity, in tune with nature? Will we still have cars? What kind of clothes will we wear and what do we eat?

Paint us a picture of your future! Show us how and where you want to live!

You can use colored pencils, felt-tip pens, watercolors, acrylic paints, chalk or watercolor.

You can also make a collage from colored paper - the possibilities are endless!

The picture should be DIN A4 (large exercise book) or DIN A3 (large sketch pad) size. Write your name, your class and the name of your school on the back of your picture. Be careful not to bend the picture!!!

Submit your painting by August 20th, 2023.

Either give it to your Reading Mentor (LesePate/LesePatin)

or send it by post to
