

*Tell us about your favourite spot in Bonn. What's special about it?  
How often do you go there? And who is going there with you?*

Is it a playground near where you live? Or just the street in front of your house where you usually meet your friends? Or is it the sports club where you practice your sport regularly? Or is it a place in the Bonn area you like visiting with your friends or family now and then when you go on a day trip? Or maybe it's a hiding place or your own room, because this is where you can spend time day-dreaming about your hopes and wishes?

**Tell us your story:** Where do you come from and when did you arrive in Bonn? What was it like when you first came here? What did you like about Bonn right away? What things are better here than in the place where you lived before? Is there anything you don't like about Bonn? What was better in the place where you lived before you came here? What do you miss? And is there something that you think is particularly funny or weird about things people say or do here? Or something you found weird when you first came here because you had never seen or heard about it before?

*Tell us about it! You can send us a text file, an audio file or a video - whatever you like best !*
